## Restoration site

- Supposed to rain this weekend (maybe?)
- Prediction is ¼ inch
- Not sure if we will cancel it – make decision closer to date
- Margaret will write up email to group saying to check email in the morning of the restoration, Frank will send it to people who RSVPed
- There is a lot of work to do! ☺
- This could be a longer season because the rain has stopped in Feb. the past few years

## Emily updates

- Amy Hooper – Emily knows her, she is an editor and blogger, and she is well connected in the birding community, expressed interest in speaking
- Twitter – if board members are following the tweets, and then re-tweet it (?) then it would reach people who were following board members
  - Could also send interesting articles or info to Emily that we would like her to tweet about
- Russ Case – reptile enthusiast, also interested in speaking
- Emily will also take care of facebook group/fan page

- Ragner Relay – relay race, we could pass out fliers and spread the word in Dana Point (where the race ends), April 24<sup>th</sup>
  - Frank lives near there and is willing to pass out fliers
